SEAHAWK 1969

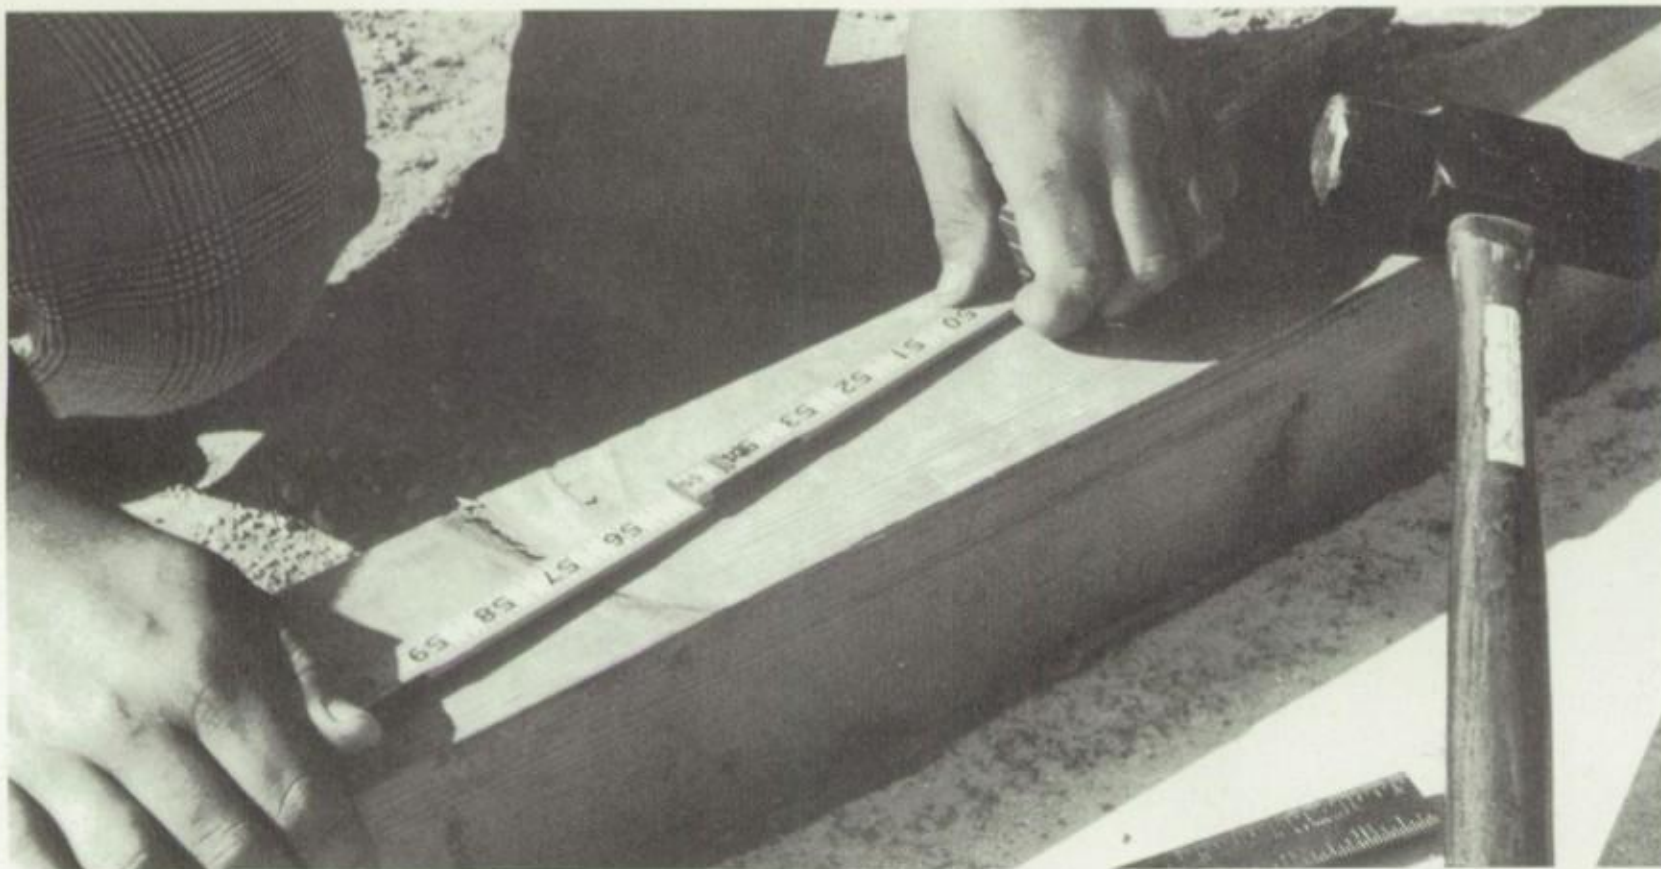

For everything there is a season, and a time for every matter under heaven.

A time to be born,
and a time to die;

a time to plant,
and a time to pluck up
what is planted;

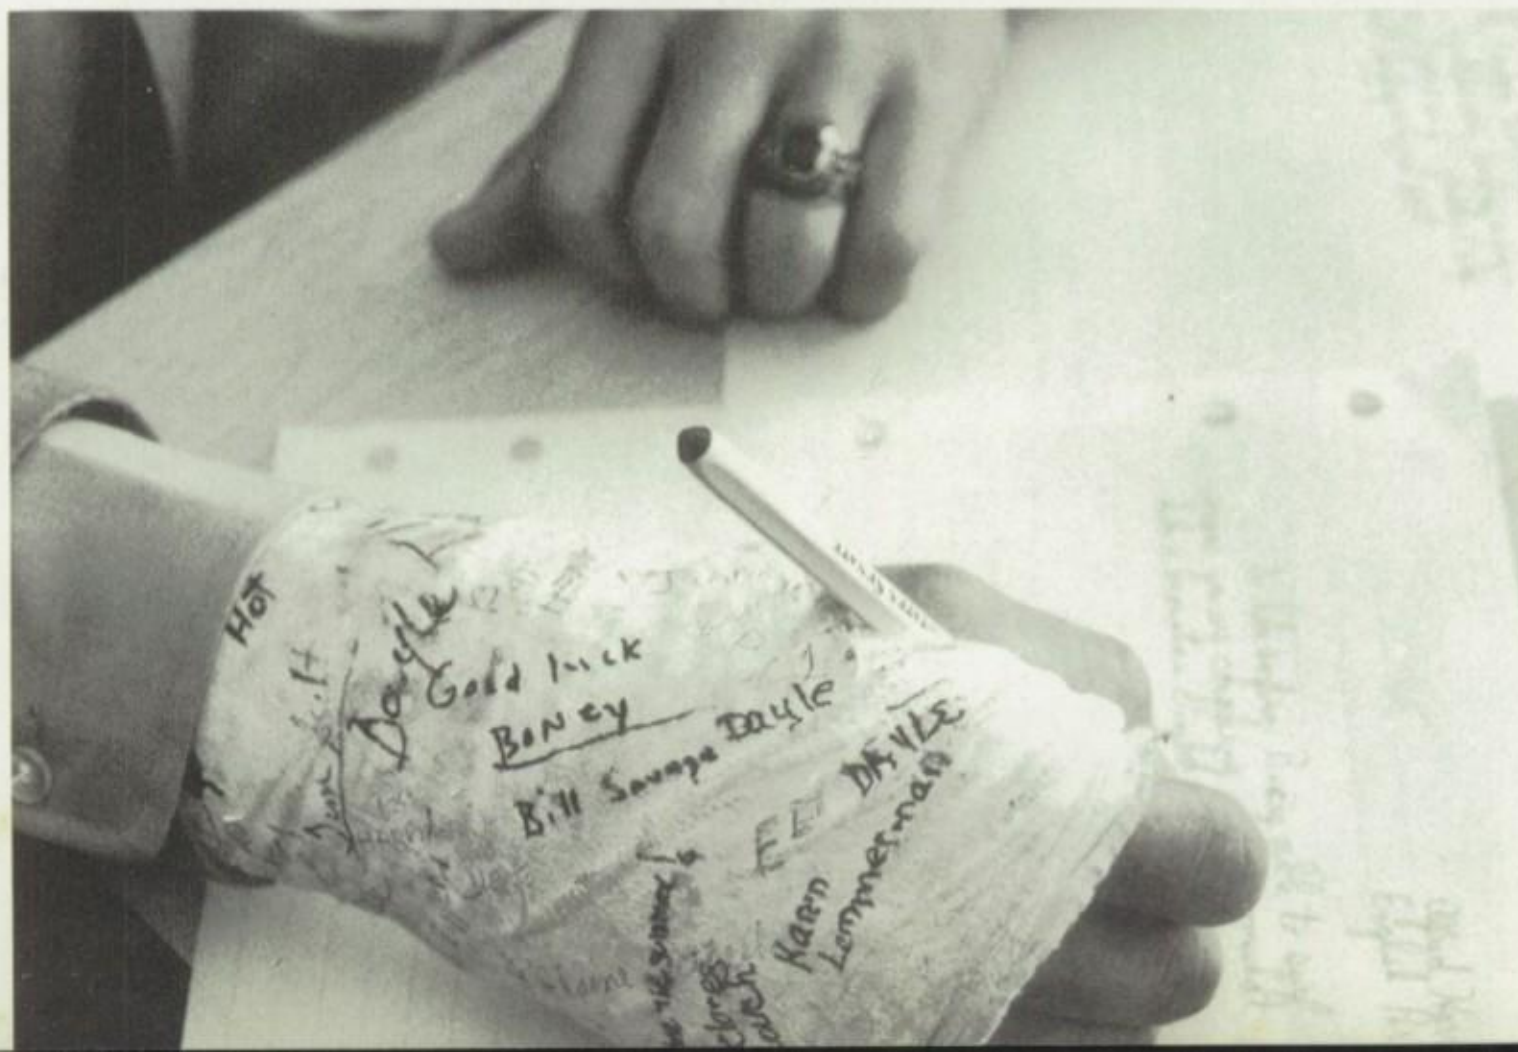

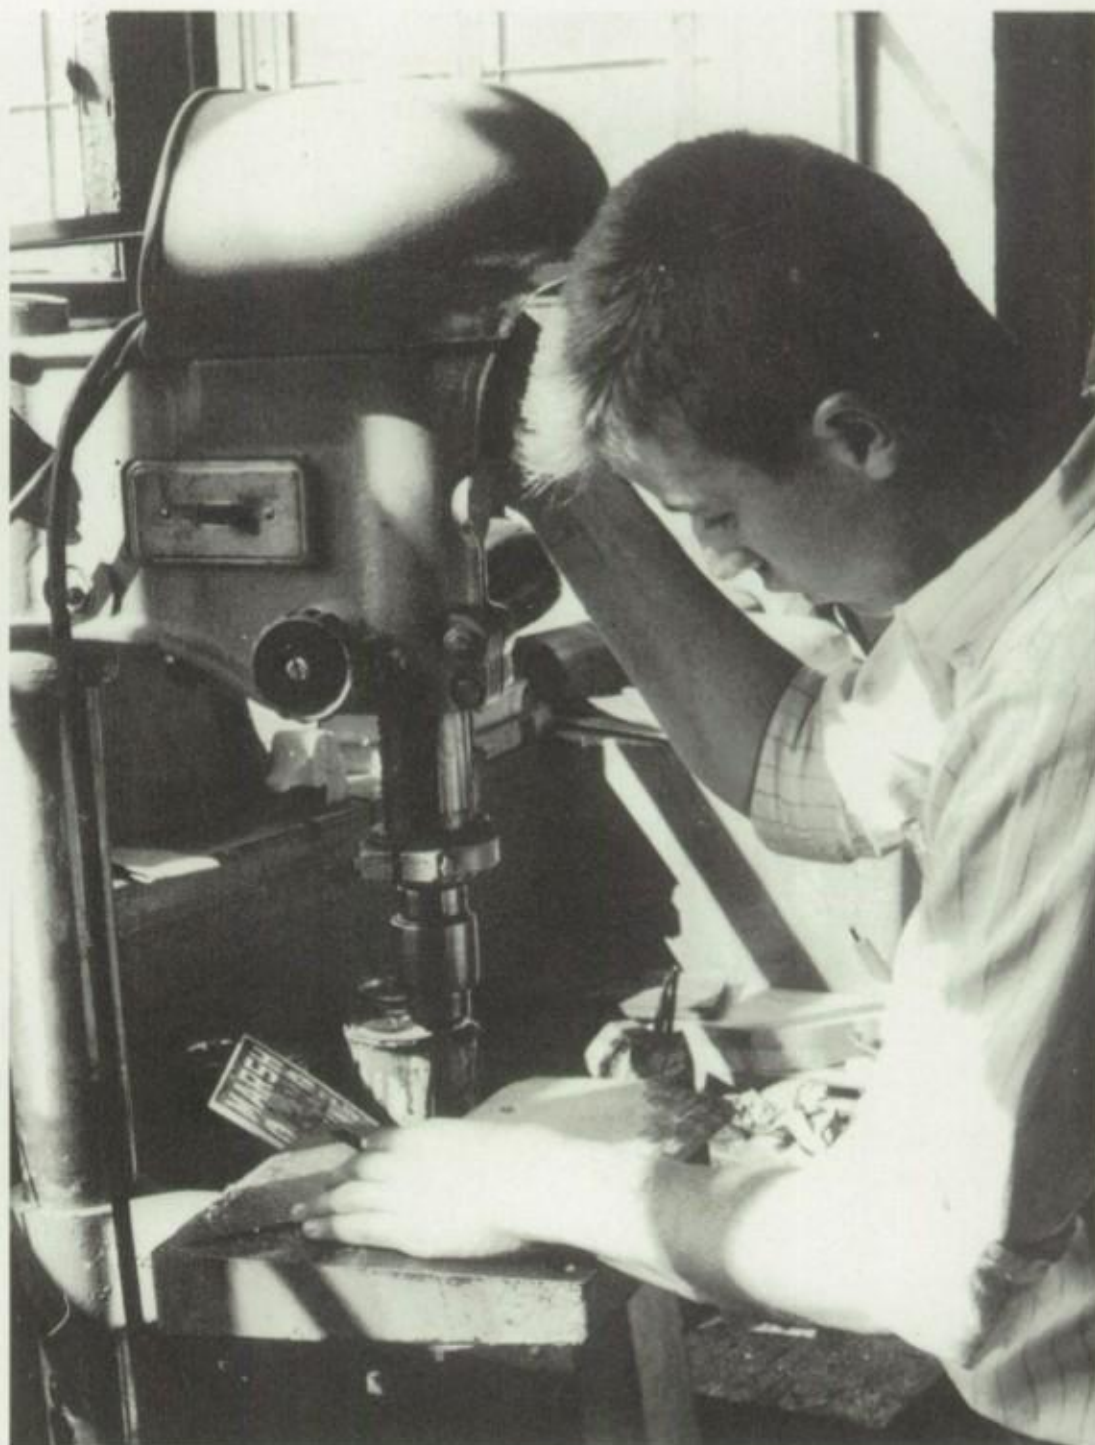

a time to cast away stones, and
a time to gather stones together;

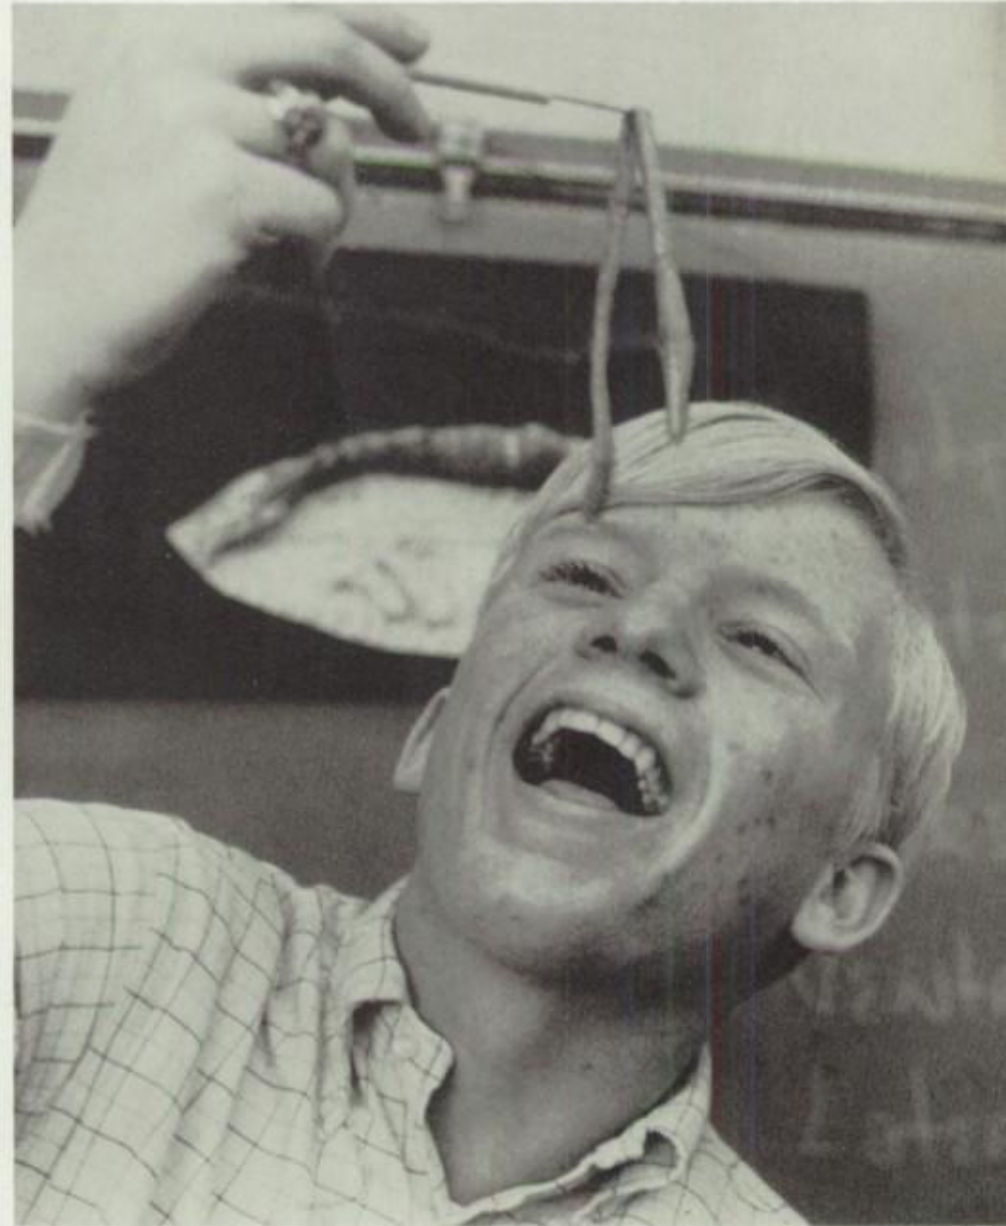

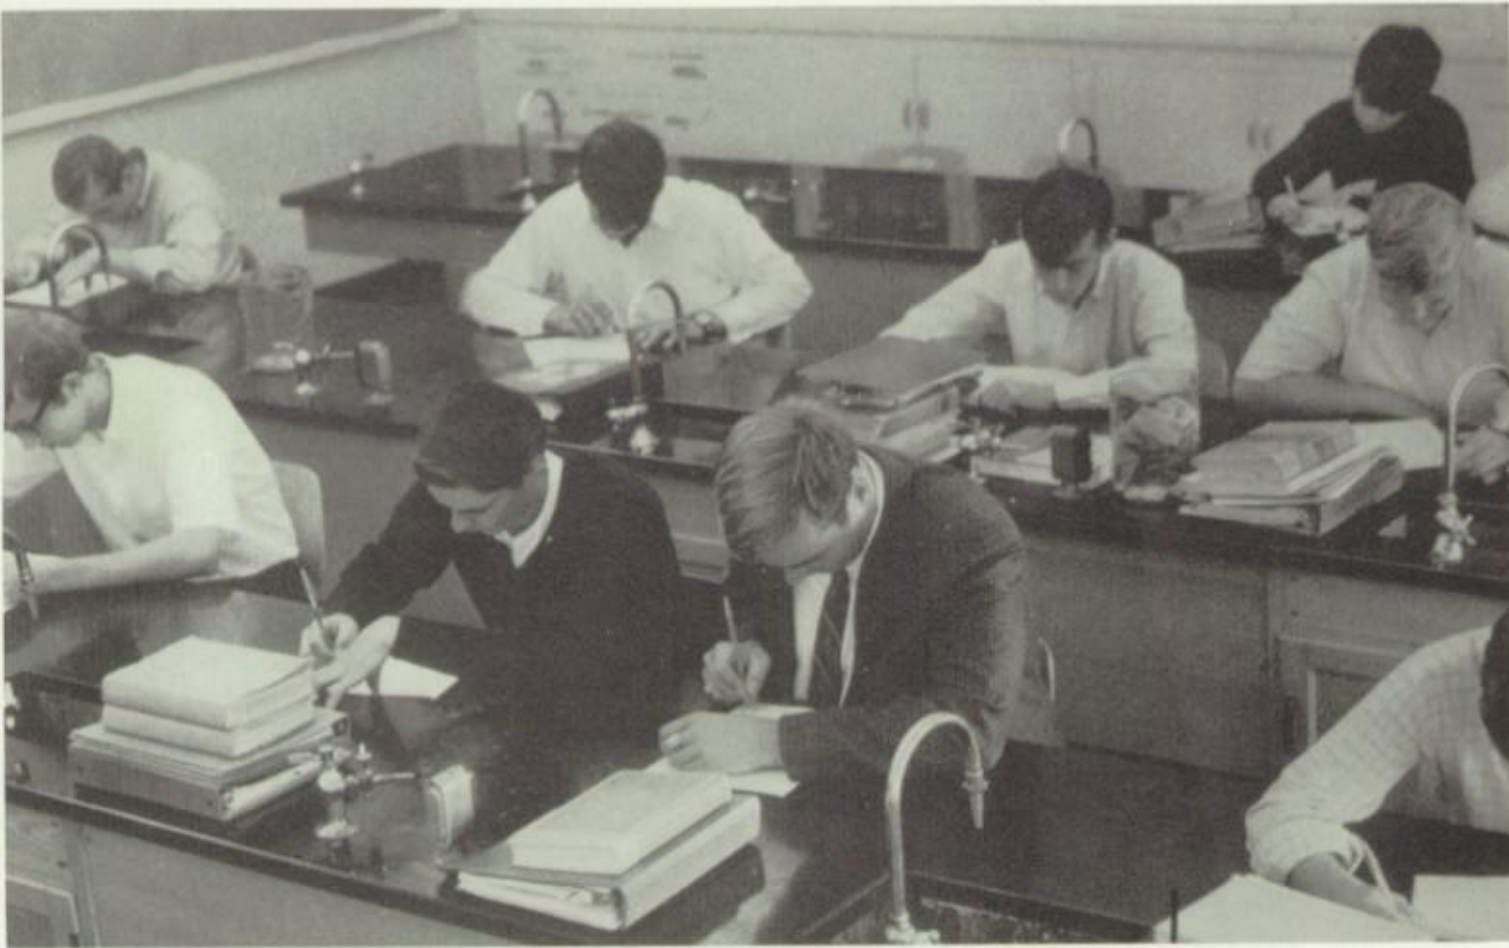

a time to embrace, and a time
to refrain from embracing;
a time to get and a time to lose;
a time to keep,
and a time to cast away;

a time to kill, and a time
to heal; a time to break down,
and a time to build up;

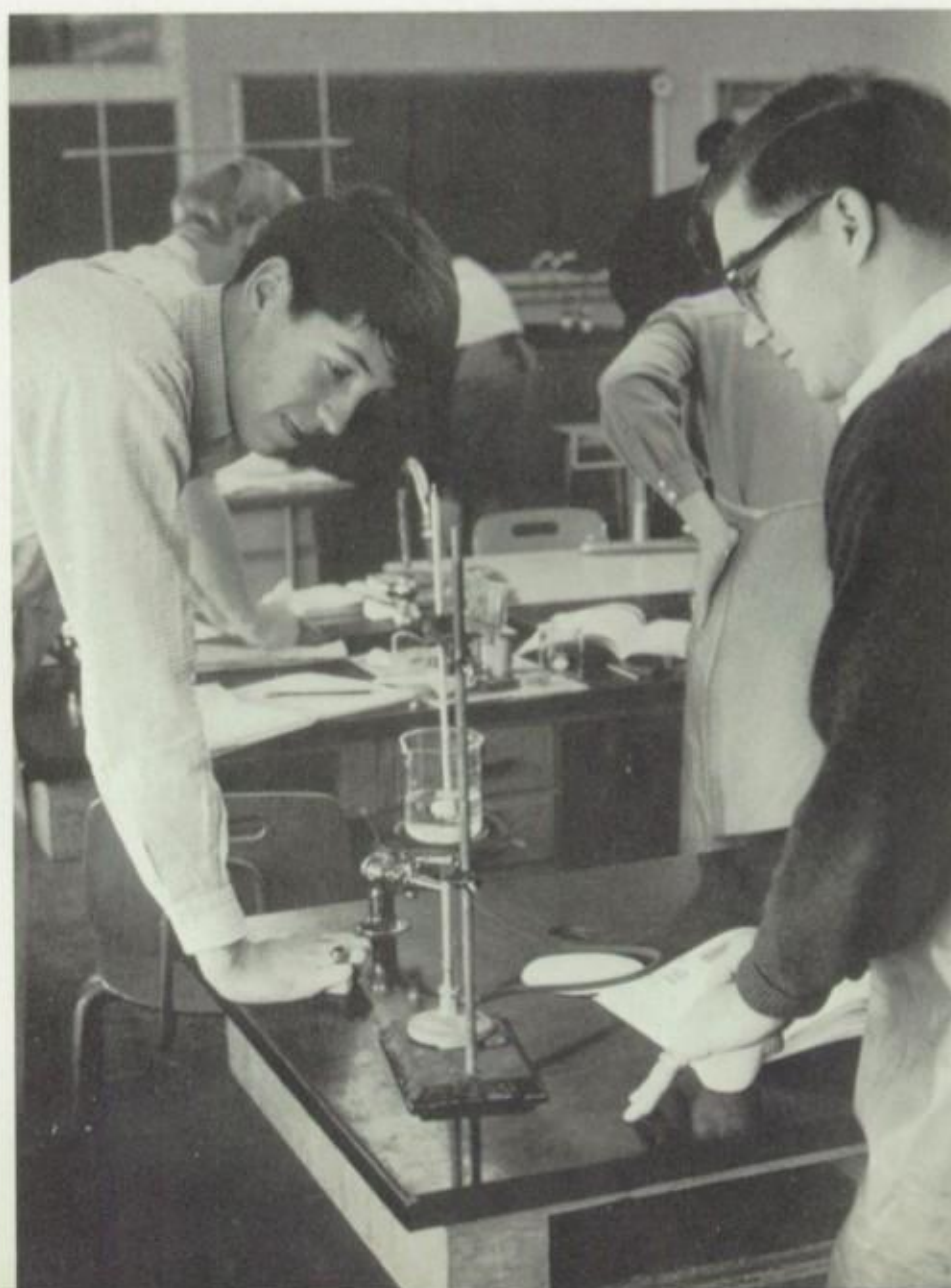

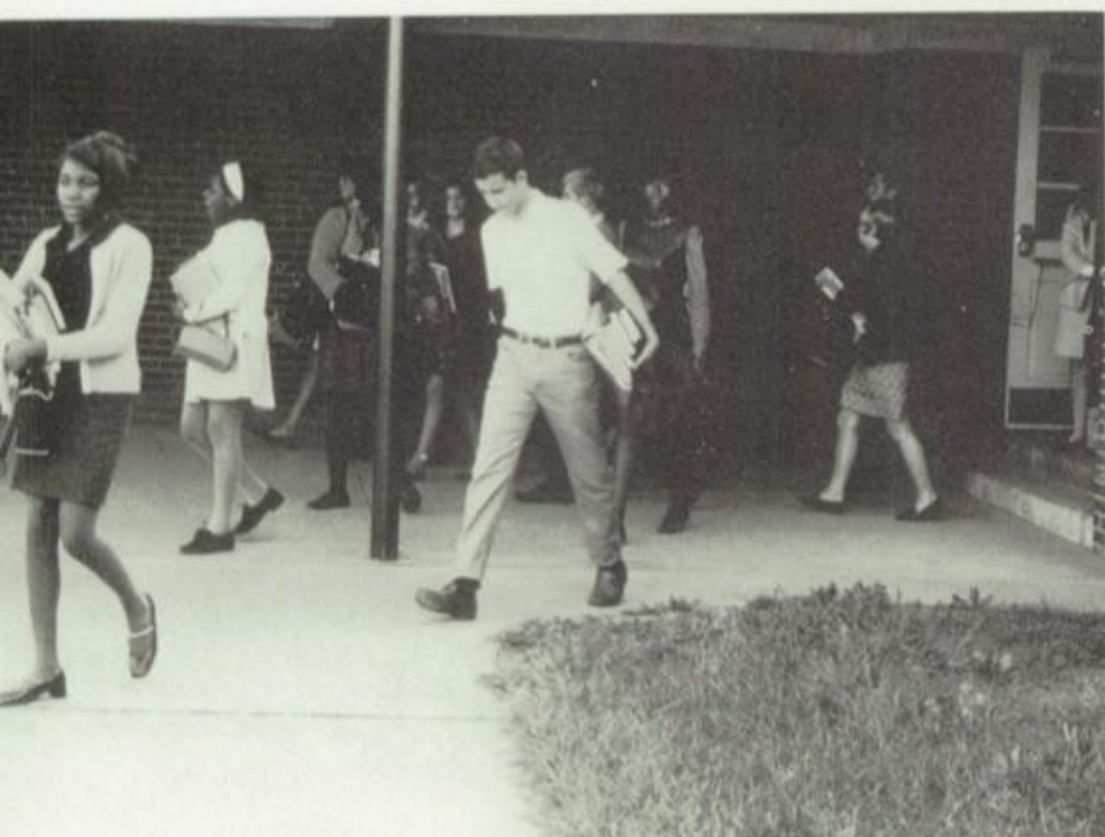

a time to weep, and a time to
laugh;
a time to mourn, and a time to
dance;

a time to rend,
and a time to sew;
a time to keep silence,
and a time to speak;
a time to love,
and a time to hate;
a time for war,
and a time for peace.

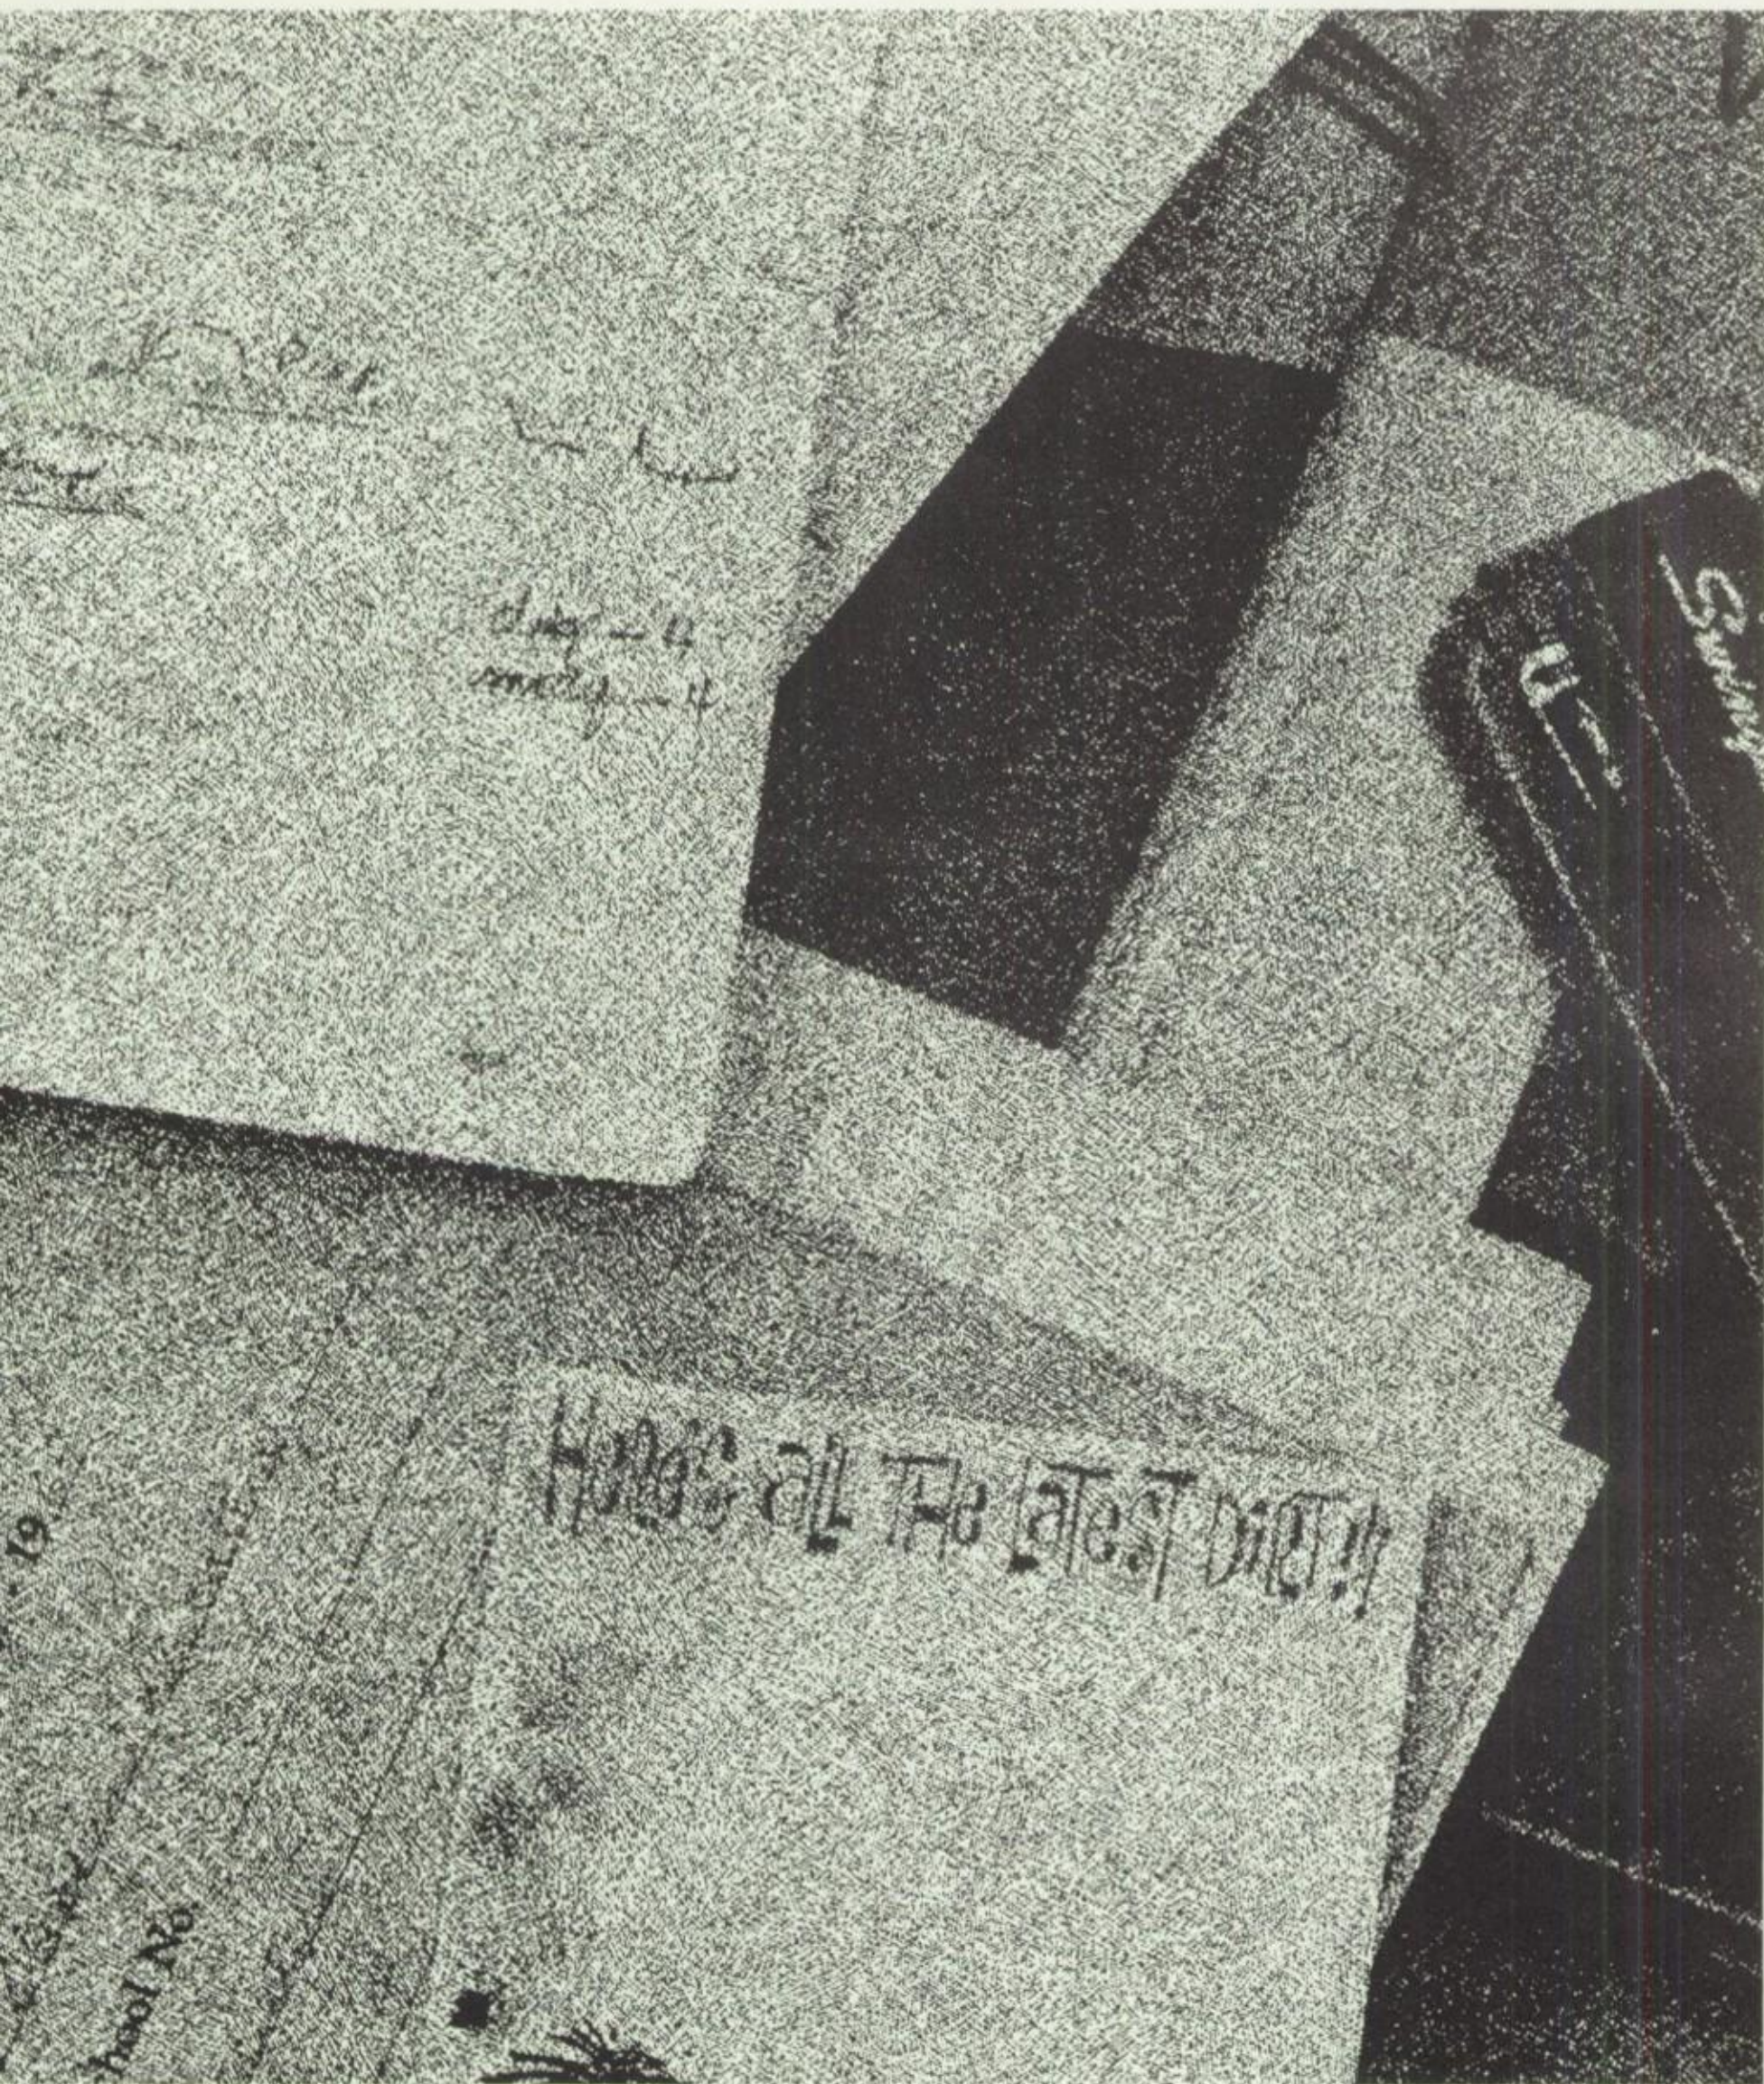

FACULTY AND ADMINISTRATION

Teacher's Register

Who is like the wise man? And who knows the interpretation of a thing?

PRINCIPAL

Gladys Burbage

As your principal I have often thought of a statement made by the English poet John Milton: "Time is ever to be enflamed with the study of learning and the admiration of virtue; stirred up with high hopes of living to be brave men and worthy patriots, dear to God, and famous to all ages." Though our school lives are filled with the excitement of friends and fun, it is always these goals of learning and virtue that lie ahead of us. It is to them that our staff endeavors to guide you. I hope that each year we may be as successful in reaching them as we have been in 1969.

CURRICULUM

Music — Art

Two classes of eighth graders are being taught art and music in a team teaching effort by Mrs. Burress and Mrs. Kenny. The classes have been split into groups that each week have study hall once, art twice, and music twice. A correlation between the elements and principles of both areas is maintained since these arts are similar. Film strips and slides have been used to make the study more interesting and informative to the students.

History — English

Nadine Clifton

Two eleventh grade classes of American History and American Literature are correlating work in the subject areas under the supervision of Mrs. Clifton and Mrs. Blanton. The last quarter of instruction will be completely teamed in two-hour periods and will center around the Civil War, with much of the study involving instruction and practice in research and composition techniques. Highlighting this unit will be a field trip to Gettysburg.

CURRICULUM

French IV

French IV is a group of eight students involved in advanced development of their knowledge and skills in French. The study work is assigned by Mrs. Ferry in weekly contracts, stressing grammar and extensive reading. Part of the study time is spent in the library listening to recorded poems and prose excerpts; the French students also record original conversations and poems. This independent study program is designed to prepare the students for future college work and allows each student to progress at his own speed.

The seniors enrolled in Advanced Social Studies, a college-oriented class, are studying European diplomatic history, concentrating on the evolution of modern diplomacy and its effects on our time. With individualized assignments in research and composition, the course puts special emphasis on interpretation by the students and the formation of independent theories and conclusions.

CURRICULUM

Bio-Chemistry

Bio-Chemistry is an advanced science course designed for seniors interested in research. Mr. Moyer has divided the students into three groups which study animal behavior, hormonal control, or the growth and development of fertilized eggs. Each group is challenged to solve particular problems through their research work.

English — Social Studies

Team teaching in selected ninth grade classes has allowed better accommodation of individual differences in learning skills and interests. A class of fifty students taught by Mr. Rowe and Mrs. McCabe have studied material relating to English and Far Eastern

cultures, assignments being either required or elective at stations within the classrooms.

ACTIVITIES

Whatever your hand finds to do, do it with your might.

JUNIOR HIGH MEMBERS

PROCTORS

The main duty of proctors is to direct hall traffic during the day and on special occasions. Proctors attend school functions free to act as monitors and set examples of proper behavior for the students.

STUDENT COUNCIL

The Student Council of 1968-69 was successful with many projects. It again sponsored a Spirit Week, collected canned goods for the needy at Christmastime, and gave a \$100 check to the Salvation Army. Shrubs were planted across the front of the school as the first step in a three-year landscaping project, and the annual scholarship awarded to a senior was increased to \$300. Most of these projects were financed with funds earned from potato chip sales at lunch and coke sales at ball games.

An innovation in this year's program was the setting up of required parliamentary procedure courses for potential council candidates.

Grover Collins, president, also served as parliamentarian for the Lower Shore Association of Student Councils.

EXECUTIVE COMMITTEE

SENIOR HIGH MEMBERS

NATIONAL HONOR SOCIETIES

NATIONAL JUNIOR HONOR SOCIETY

NJHS

The National Junior Honor Society activities in 1968-69 included painting the cafeteria book racks and placing second in the Spirit Week bulletin board contest. On Stephen Decatur Night the NJHS sponsored a dart-throwing contest. The induction of new ninth grade members was held in March.

NHS

This year the National Honor Society has been busy raising a \$100 scholarship fund to be awarded at graduation. The organization planned a corsage sale, bake sales, and a booth for All Stephen Decatur Night. During the Christmas season the Society also trimmed a tree. The induction of new members was held on March 6.

NATIONAL HONOR SOCIETY

AMERICAN FIELD SERVICE

Cristina and the Shultz family met teachers at a tea given by the AFS Club.

In the AFS Club's first year at Stephen Decatur, the group was quite busy. A float in the Hallowe'en Parade won a second prize, and the club held a tea for Cristina Laviuzza, this year's foreign exchange student from Uruguay. With the sponsors, Mrs. Stout and Mr. Hensel, active members attended AFS days in other schools.

AIDES

LIBRARY AIDES

Throughout the day library aides assist Mrs. Cooper by working at the check-out desk. They help students and teachers locate materials, handle clerical duties, and shelve books. Their efficiency enables the library to function more smoothly.

Office Aides

Office aides are scheduled each period to assist Mrs. Wainwright in handling the multitudinous duties of our school office. Their responsibilities are varied, including taking incoming calls, directing and assisting visitors, and handling the many special matters relating to students' and teachers' needs.

OFFICE AIDES

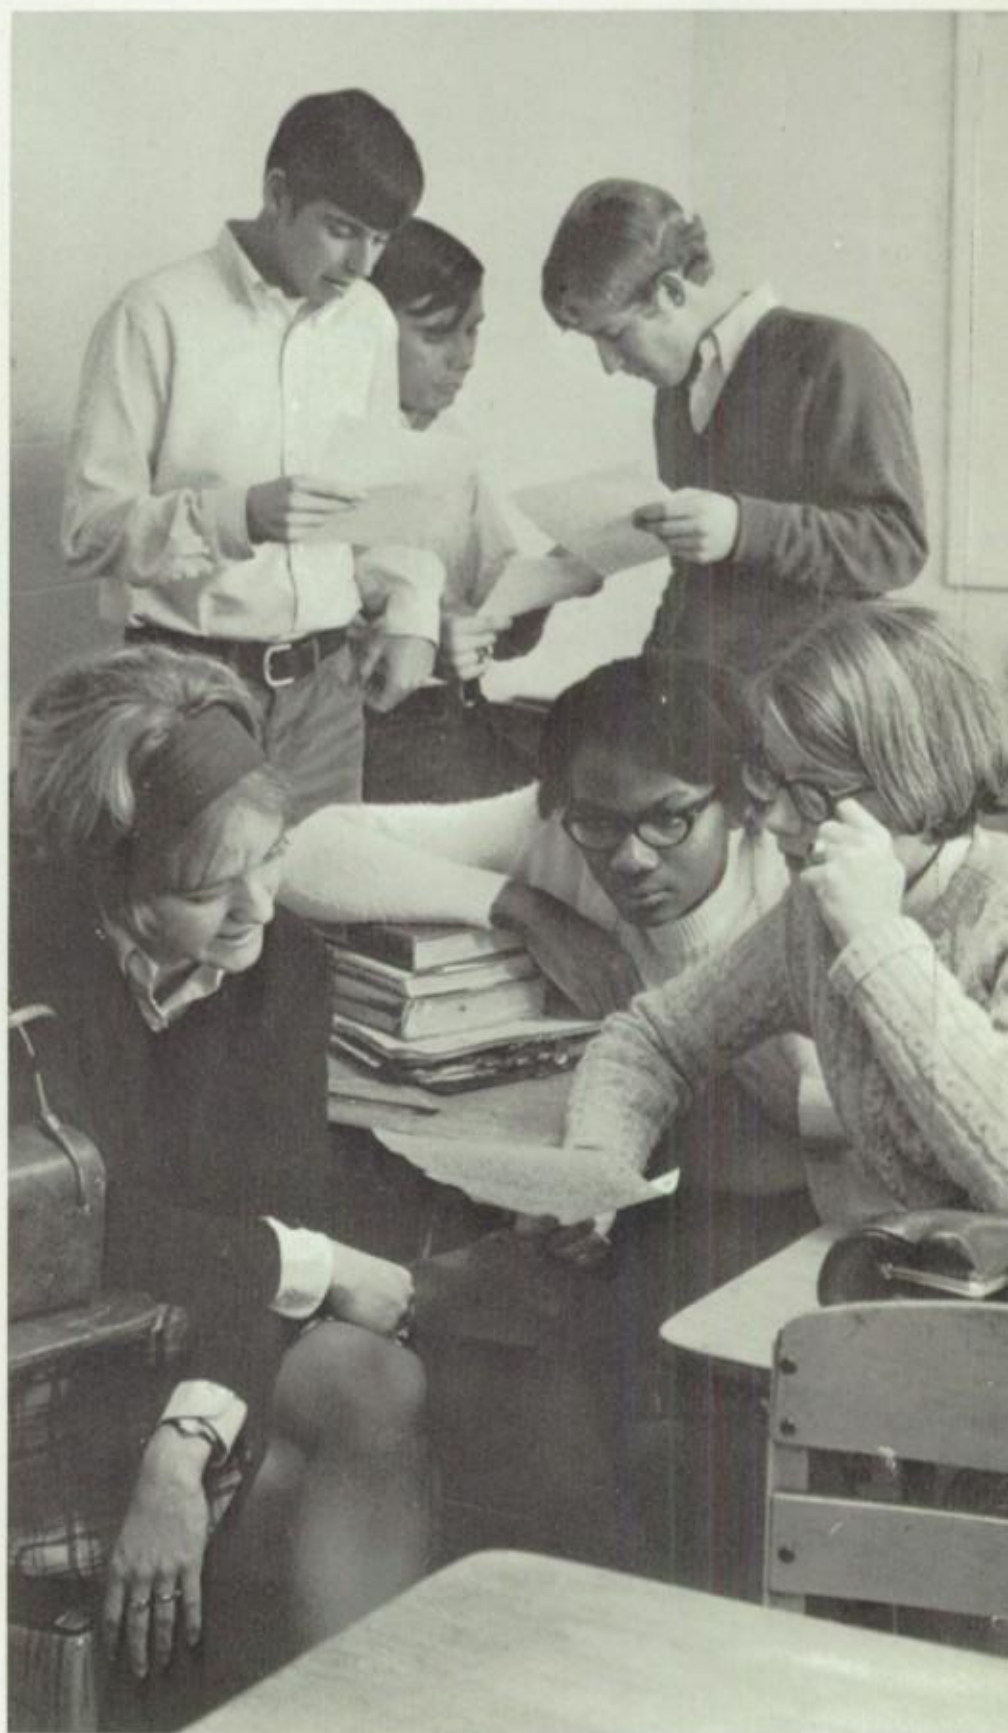

AUDIO-VISUAL AIDES

The Audio-Visual aides are students that are trained to operate and repair the A-V equipment. Each period there is an aide stationed in the A-V room who is ready to assist a teacher or provide equipment upon request.

MINDSWEEP

Mindsweep, the first literary magazine at Stephen Decatur, was compiled from student work by the Creative Writing class. The entries — essays, short stories, character sketches, poems, and book reviews, together with black and white art work — were judged by the class, Miss Kelly, and Mrs. Blanton, the magazine sponsor. Both a Christmas and a spring issue were published.

SENIOR
CHORUS

JUNIOR BAND

The band's chief project this year was the fund-raising drive for new uniforms, copied from that of Commodore Stephen Decatur, naval hero of the early 1800's. The Berlin Lions Club was instrumental in sponsoring the drive, and additional support was given by many other groups and individuals in our communities.

New Band Uniform

MUSIC OF SDHS

The students at SDHS can participate in both vocal and instrumental music. The two bands provide an opportunity for students to learn and perform on a band instrument; the Junior Band members are promoted to Senior Band after they have shown suitable proficiency. The Senior Band performs in concerts, pep assemblies, induction ceremonies, ball games, parades, and special programs outside the school.

Vocal experience is provided in Senior Chorus and the Glee Clubs. The former participates in school programs, community activities, and for P.T.A. meetings. This year the choruses of the four county high schools presented exchange choral festivals at each school. The Glee Clubs have given seventh and eighth graders a chance to sing and perform for school affairs.

FUTURE HOMEMAKERS OF AMERICA

JFHA Induction

The Future Homemakers of America, sponsored by Mrs. Stout, worked this year on "Careers in Homemaking." The club was actively involved in the regional and state meetings, and Terry Birch was state treasurer.

The JFHA participated in "Good Family Relations Through Communication." In October the club collected for UNICEF. The goals of the clubs are to improve personal, family, and community living.

FBLA

JUNIOR FFA

During 1968-69 the FBLA has been very busy. Early in the year an installation of officers was held, with parents invited. Around Thanksgiving members visited the Berlin Nursing Home, taking small treats to the elderly persons there. The club was proud of Pamela Smith, the first place winner of the regional Typing I contest.

EIGHTH GRADE LIBRARY CLUB

The library clubs were combined this year for a deeper investigation of books. The resulting Great Books Club studied classics, while other members researched the library itself.

SCIENCE CLUBS

SENIOR SCIENCE CLUB

The Senior Science Club, sponsored by Mr. Moyer and Mr. Hensel, took a trip in the fall to Wallops Island, but the club's biggest project was the Science Fair, where Jack McCabe and Alan Bradford were Grand Prize winners for their project on "Hormone Control of the Reproductive Processes" in poultry.

JUNIOR SCIENCE

The Stephen Decatur Junior Science Club, known as the *Jeune Scientiste*, held meetings every Tuesday during Activity Period. The Club sponsored a booth at All Stephen Decatur Night and a trip to Wallops Island.

GYM AIDES

The gym aides of Stephen Decatur assist the P.E. teachers in the implementation of their programs. Aides' work includes leading students in exercises, helping administer skills tests, and officiating at class games.

JUNIOR SPORTSMAN'S CLUB

SPORTSMAN'S CLUB

SPORTSMAN'S CLUBS

The Sportsman's Clubs are comprised of junior and senior high students interested in hunting, fishing, and other related activities. The groups studied various facets of conservation, particularly as they relate to the Eastern Shore, throughout the school year. Formed for the first time in 1968-69, the clubs' sponsor was Mr. Bassett.

The Stephen Decatur Art Club meets each Monday afternoon for members to work on special advanced art projects. Under the sponsorship of Mrs. Burress and Miss Harris, the club has expanded its program this year and set new goals in addition to its traditional ones. An Art Festival and tea were held on May 4 to exhibit student work. Many new approaches in art were demonstrated in student efforts, and the show was a great success in communicating the creativity of SDHS students to the community.

Arrangements —

Characterizing

The Drama Club offered juniors and seniors the opportunity to learn basic acting and stagecraft skills. Most of the group's productions were humorous, as "The Mystery of Mouldy Manor." However, *The Gift of the Magi* was a more serious effort and communicated the spirit of Christmas to both parents and students. Members of the club gained valuable experience in play production under the sponsorship of Mr. D'Andrea, Miss Kelly, Mr. Rowe, and Mr. Walker.

SEAHAWK

The positions of editor, business manager, and copy editor were appointive and won through diligence, concern, and cooperation. The 1969 *Seahawk* was fortunate to have Mary Shultz, Dot Warren, and Evie Gathright in these respective posts.

A good school yearbook is a masterpiece: a masterpiece of planning, coordination, cooperation, and consistent work and evaluation. Between the first step in organizing and the last step of distribution lies help from every area of the school — students, teachers and office alike.

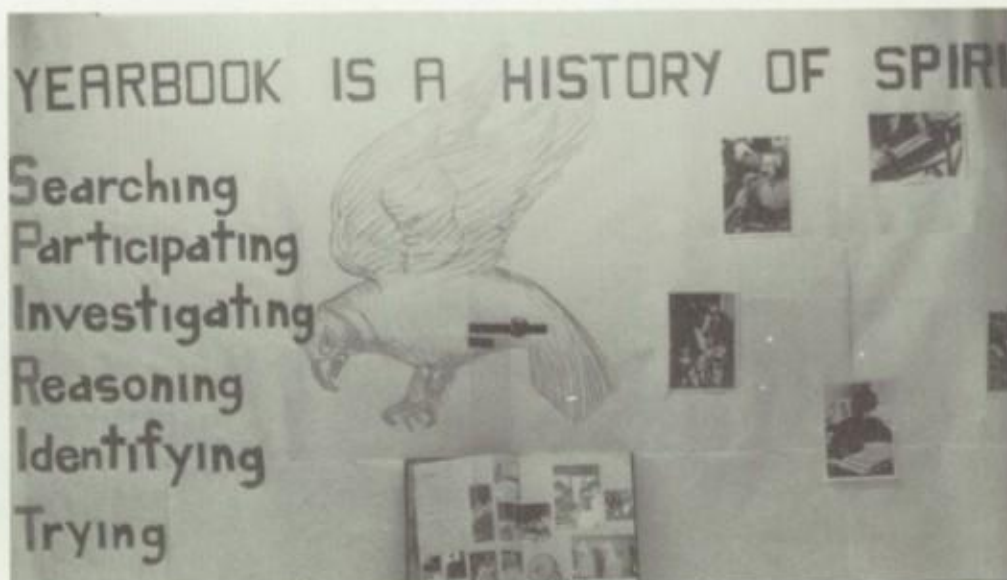

The 1969 *Seahawk* staff is composed of talented eleventh and twelfth graders interested in copy, design, and photography. They have skillfully allied their interests with the necessities of salesmanship and clerical abilities to produce what the staff feels is the finest yearbook ever at SDHS.

Thank you for your help!

Much of the success of the 1969 *Seahawk* must be attributed to the tireless and cheerful contributions of Mr. Richard Boisjolie, American Yearbook Company

representative, and Mr. David Zamsky of Zamsky Studios. They have provided invaluable professional help to the *Seahawk* staff and its sponsor, Mrs. Blanton.

HAWK-I

The Hawk-I staff of 1968-69 worked hard to gather pertinent school news each month and present it to the students in an interesting and attractive format. Miss Kelly directed the class study to various facets of good journalism, with immediate application in each issue of the paper of those skills and standards taught.

SPORTS

Again I saw that under the sun the race is not to the swift, nor the battle to the strong . . . nor favor to the men of skill; but time and chance happen to them all.

HOCKEY

Hockey is one of three varsity sports offered to girls at Stephen Decatur. Twenty-four girls participated in the sport in the 1968 season. Through the fall, under the coaching of Mrs. Lucy Bunting, the members developed the teamwork and skills of a good hockey team.

Team Members: J. Baker, B. Bradfield, S. Bunting, B. Cathell, R. Cathell, V. Dennis, L. Elliott (Co-Captain), E. Everett, S. Fleming, F. Handy, D. Huffer, M. Johnson, S. Lathbury, S. Molnar, L. Purnell, T. Quillen, S. Richardson, L. Savage, N. Sise, M. Shultz (Co-Captain), B. Swain, W. Truitt, D. Turnbaugh, B. Waples; Manager: M. Bradford; Coach: Mrs. L. Bunting.

S O C C E R

Soccer is the principal fall sport Stephen Decatur. This year's team consisted of twenty-six members, who spent hours every day practicing under the coaching of Mr. Burbage and Mr. Heath. The team's pride, spirit, and willpower was displayed throughout the season.

Team Members: R. Bell, F. Benvenuto, P. Brittingham, G. Collins, L. Duffy, H. Eckman, J. Farlow, J. Gilliss (co-captain), R. Hall, S. Harmon, E. Henry, R. Holland, R. Holland, R. Jackson, R. Jones (co-captain), J. Latchum, R. Mumford, B. Oliver, C. Purnell, J. Scott, T. Scott, S. Simpson, D. Shockley, S. Stout, A. Tull, D. West, B. Wimbrow; Manager: D. Littleton; Coaches: Mr. R. Burbage, Mr. Heath.

GIRLS BASKETBALL

The girls basketball team had a very successful season, posting a record of eight wins and four losses. The team scored an average of 39.1 points a game, with a rebound average of 37.3. This year's record was one of the finest in Stephen Decatur's history and was a source of pride to the team and its coach, Mrs. Powell.

Team Members: B. Brown, K. Bunting, R. Cathell (co-captain), J. Collins, B. Conner, C. Darnley, L. Dennis, A. Dryden, L. Elliott, J. Fisher, D. Hickman, I. Hudson, D. Huffer, S. Molnar (co-captain), B. Swain, D. Turnbaugh; Managers: J. Holland, S. Fleming; Scorekeeper: P. Hancock; Coaches: Mrs. Powell, Mrs. Adams.

J.V. BASKETBALL

This year the Junior Sea Hawks finished their season with a record of nine wins and seven defeats. It was the best record since 1965. A great deal of work was expended in the making of the team, and the entire squad deserves a lot of credit.

Team Members: R. Bell, S. Blake, J. Brown, K. Burbage, T. Davis, L. Duffy, M. Fleming, B. Hall, A. Handy (co-captain), L. Mercer, J. Mumford, R. Mumford, M. Parker (co-captain), M. Parsons, B. Powell, D. Shockley, A. Small, M. Small, J. Sturgis, R. Taylor; Managers: R. Holland, G. Collins; Coaches: Mr. Burbage, Mr. Jett.

VARSITY BASKETBALL

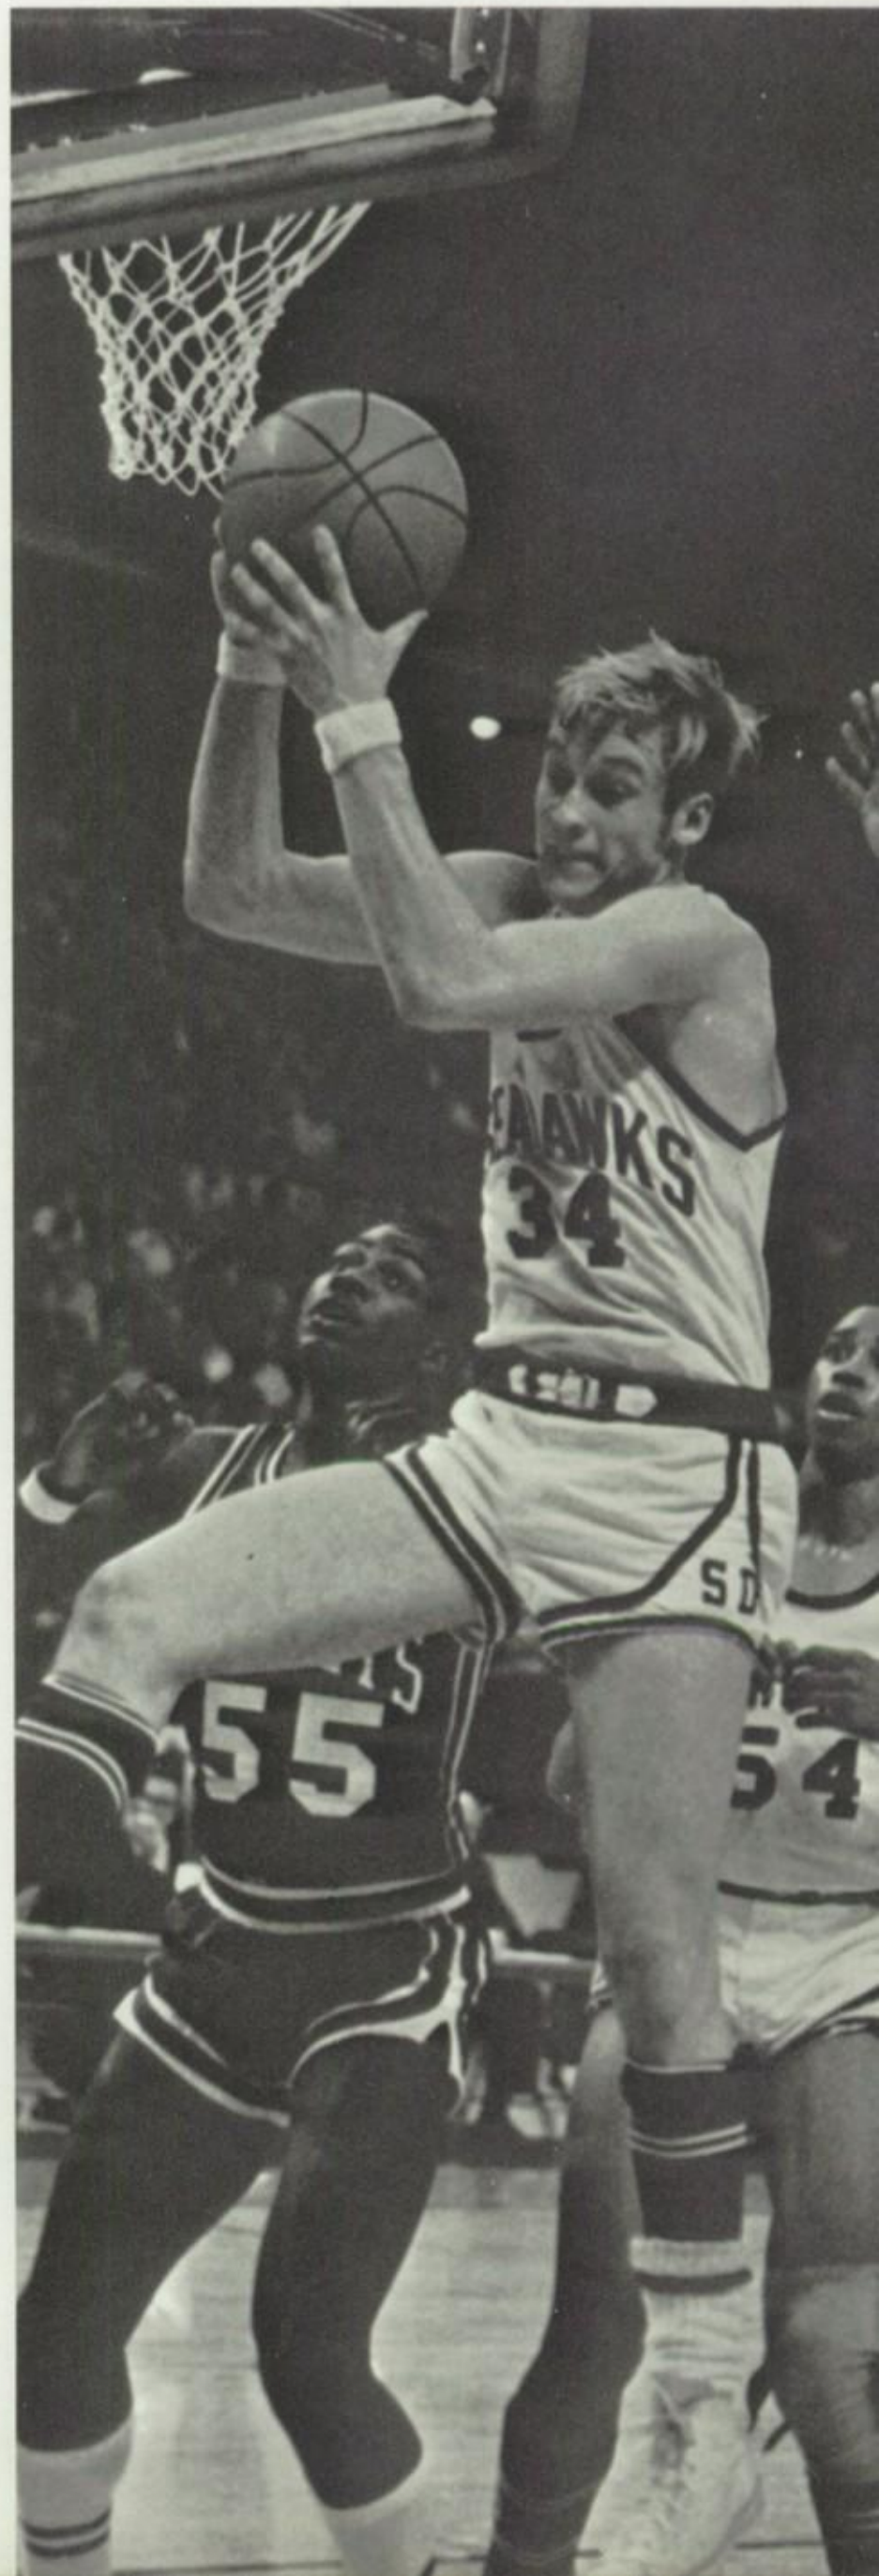

The 1968-69 varsity basketball season was the greatest in the history of Stephen Decatur High. They finished the regular season with a perfect record of sixteen wins and no losses and sported the most powerful team on the Eastern Shore. At every game the gym was packed with spectators and avid Seahawk fans. Though a young team, the Seahawks were trained and disciplined by Coach Lambert so thoroughly that their skills and tactics were unequalled in the county and district play.

Team Members: G. Collins, R. Dixon, J. Farlow, L. Hobbs, R. Hoskins, R. Jackson (co-captain), M. Purnell, S. Purnell (co-captain), M. Small, O. Purnell; Managers: L. Collins, R. Holland, W. Holland, G. Purnell; Coach: Mr. Lambert.

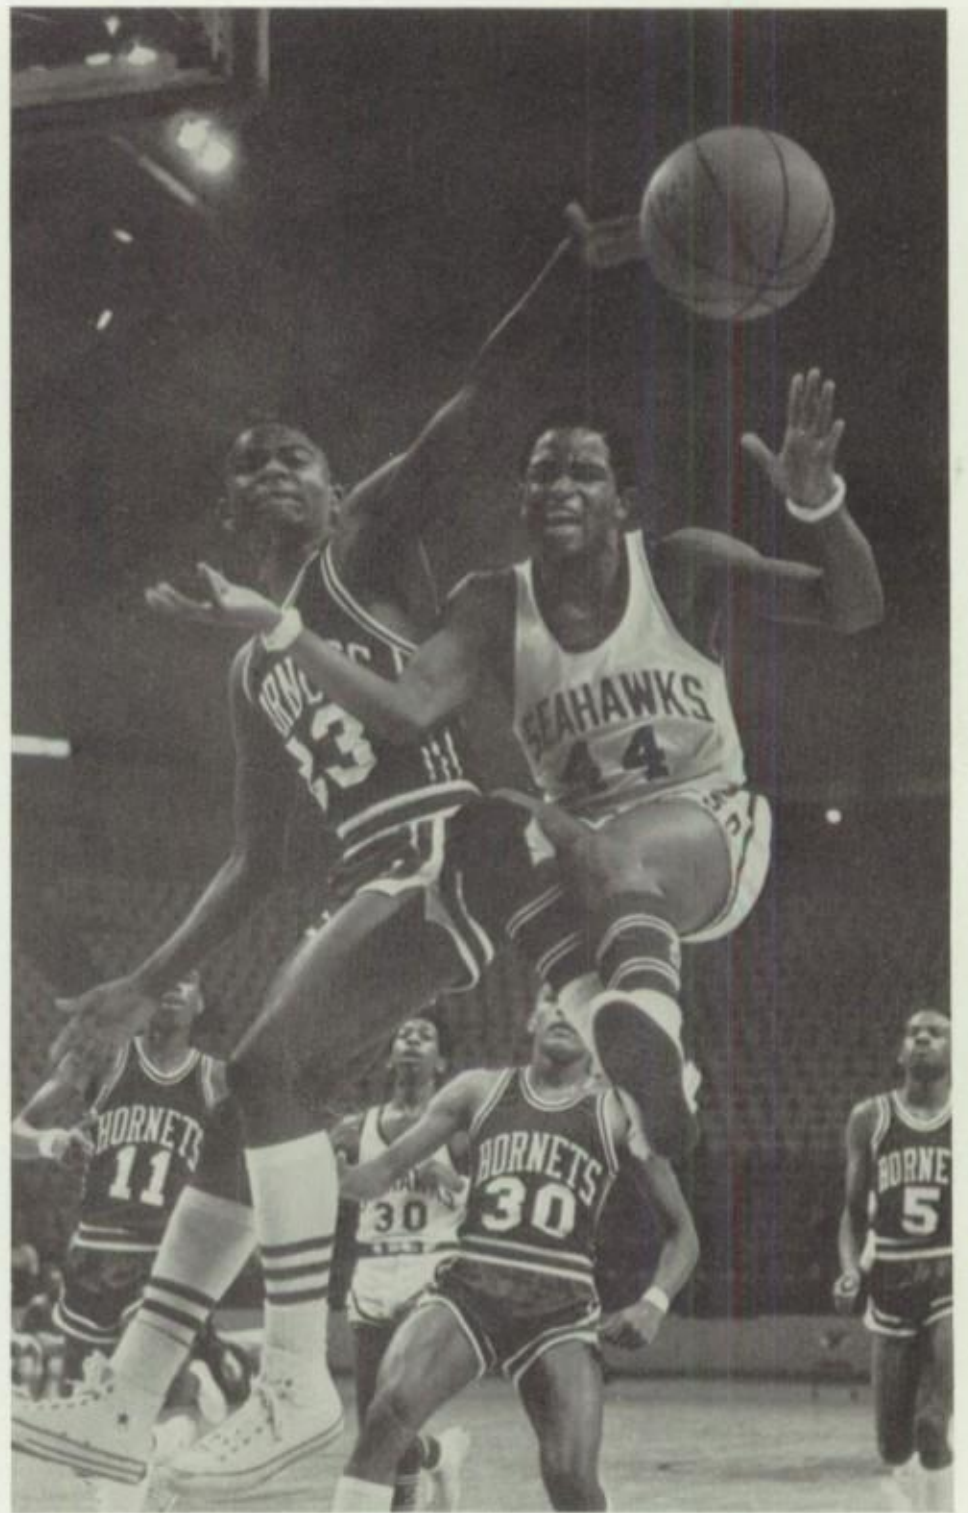

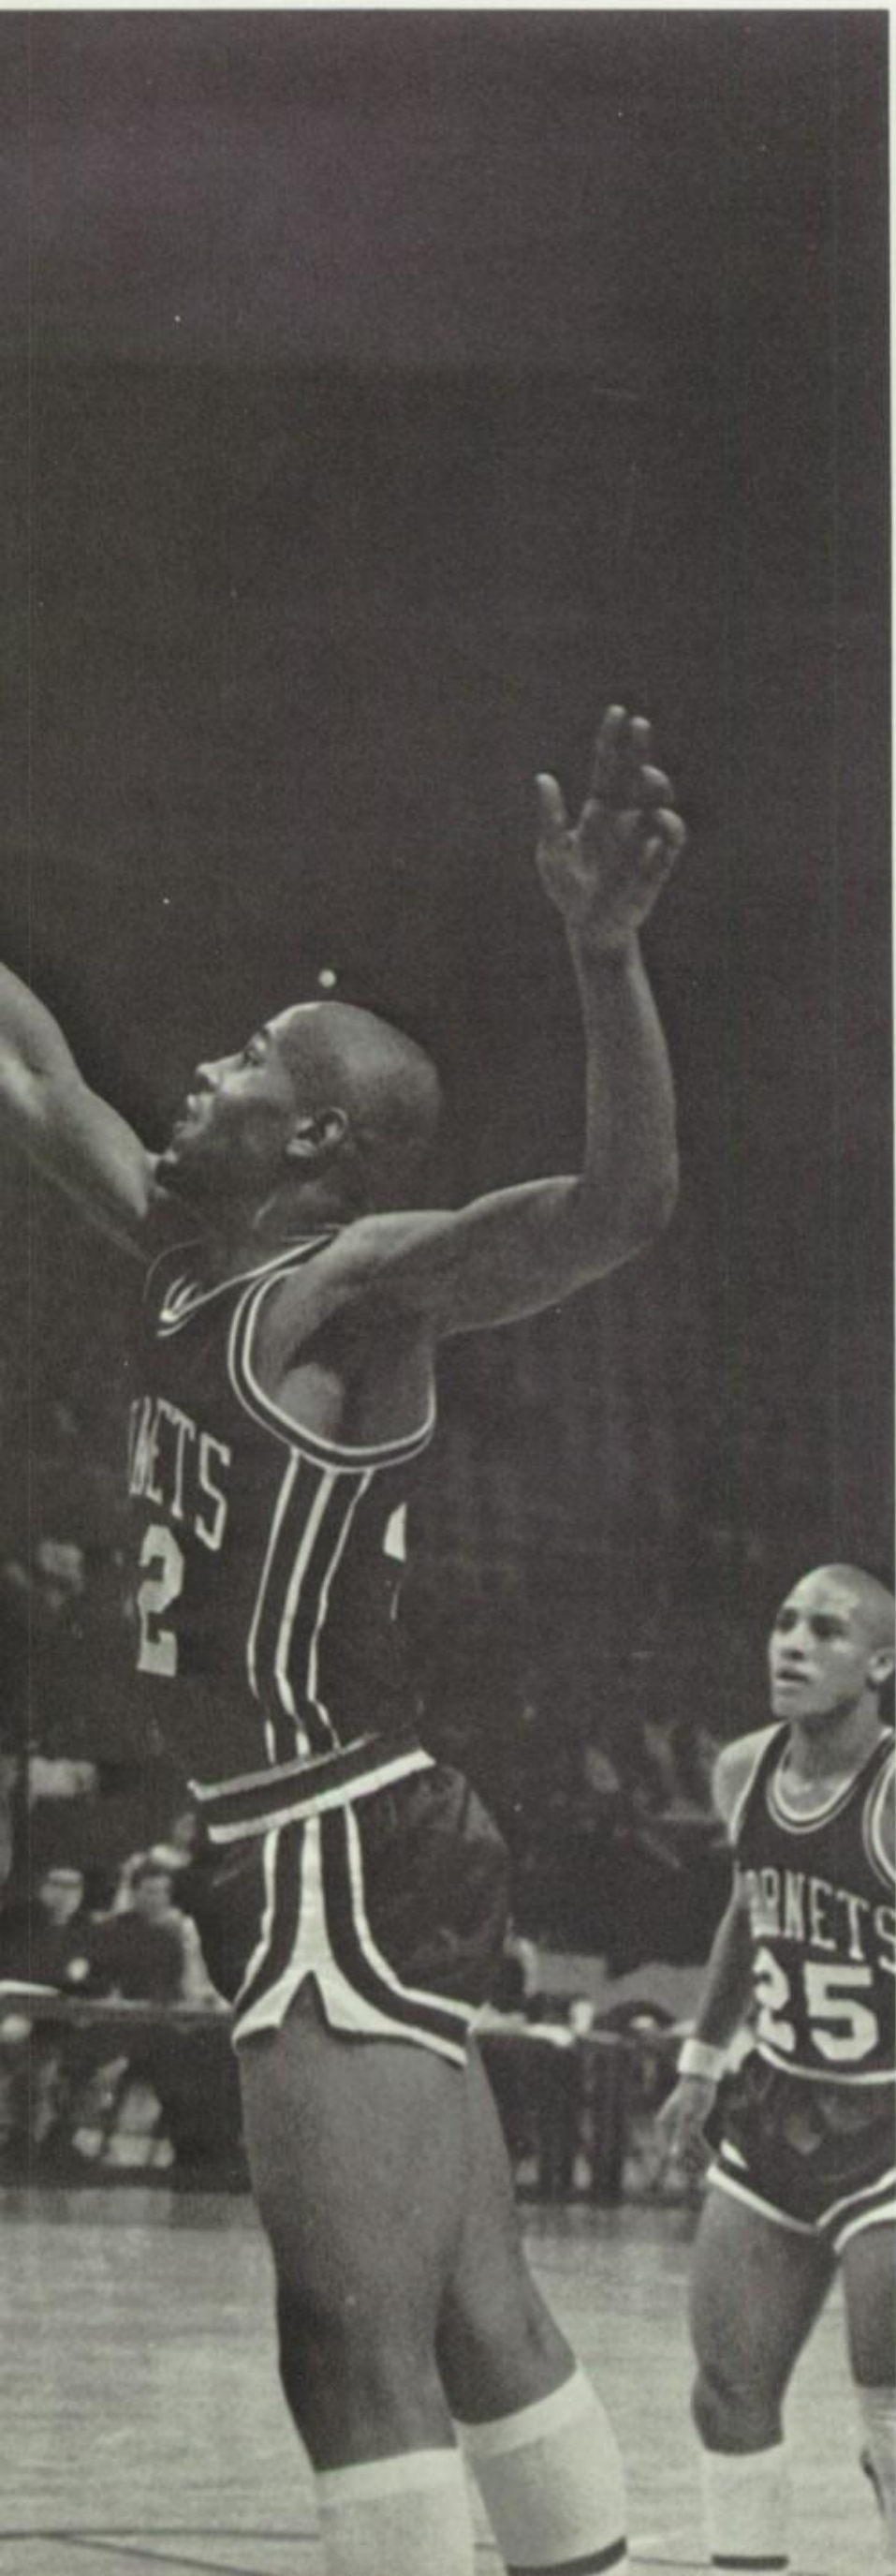

SEAHAWKS GRASP FOR STATE

The mighty Seahawks, with a record of nineteen wins, reached College Park with victory on their minds. Easily wiping Valley High from the Class B Championship competition, the Seahawks swept into the finals of the state tournament where they encountered their first and only loss of the season, to Fairmount Heights. With a season's-end record of twenty wins and one loss, our team traveled wearily back home to a proud Worcester County, all looking forward to next year's season.

CHAMPIONSHIP AT COLLEGE PARK

S O F T B A L L

The Stephen Decatur softball team displayed skill, dedication, and continued growth throughout the season. Coached by Mr. Taylor, the team worked diligently each day, their good season reflecting their efforts.

Team Members: R. Cathell (co-captain), J. Collins, K. Darnley, M. Daye, A. Dryden, L. Elliott, J. Fisher, S. Fleming, D. Huffer, M. Johnson, P. Johnson, S. Molnar (co-captain), D. Roberts, C. Terrell, L. Trimper, D. Turnbaugh; Manager: J. Fisher; Coach: Mr. Taylor.

Sixteen boys came out to join the 1969 baseball team under the supervision of coaches Moyer and Bailey. The team had a successful season as they defended their 1968 county championship, displaying great versatility, finesse, and skill.

Team Members: D. Collins, G. Collins (captain), T. Davis, R. Eckman, J. Farlow, J. Gilliss, A. Handy, H. Hickman, R. Mazcko, T. Pruitt, O. Purnell, R. Quillen, W. Robbins, J. Scott, T. Scott, S. Simpson, M. Thackston; Managers: T. Pruitt, G. Purnell; Scorekeeper: P. Henry; Coaches: Mr. Moyer, Mr. Bailey.

The 1969 track team, coached by Mr. Walker, was small but dedicated to a thorough training and conditioning program. The team's lack of depth contributed to a slow season, but team members never lacked in spirit. All are looking forward to performing on a newly constructed track next year.

Team Members: H. Bounds, P. Brittingham, R. Chandler, F. Cannon, S. Collins, C. Farlow, R. Hall, R. Holland, W. Holland, J. Jarvis, W. Johnson, M. Pennington, C. Purnell, F. Purnell, J. Quillen, A. YEAR'S REVIEW

THE
UNDEFEATED
SEAHAWKS
Will Remain
UNDEFEATED!

What has been is what will be, and what has been done is what will be done; and there is nothing new under the sun.

SENIOR CLASS TRIP

In late October the Seniors set out by bus for New York City. The sites they visited included the Empire State Building, the Statue of Liberty, the United Nations, Rockefeller Center, Patricia Murphy's Restaurant, the Museum of Natural History, and the Taft Hotel. The group viewed a Broadway musical, *Hello Dolly*, and a show at Radio City Music Hall. Impressed with all they saw, the group returned tired, but happy with their experiences.

The AFS Club sponsored a tea to introduce Cristina Laviuzza, our exchange student, to the teaching staff.

Electrical wiring at the Vocational School

Sponsored by the Student Council were a canned food drive and a faculty-student basketball game.

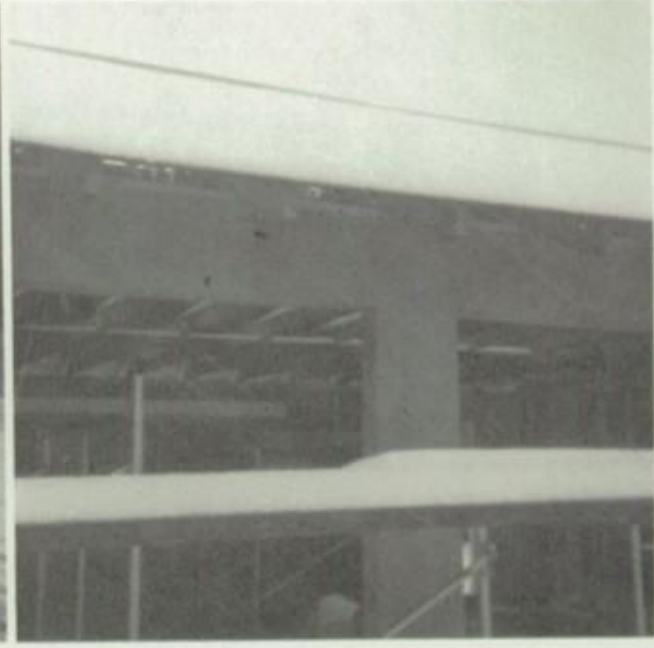

Senior class pictures were taken.

The ninth grade team teaching class invited guests to an Indian dinner prepared by the students.

FALL ACTIVITIES

A new classroom in progress . . .

Decorating for the Christmas Dance

The Gift of the Magi

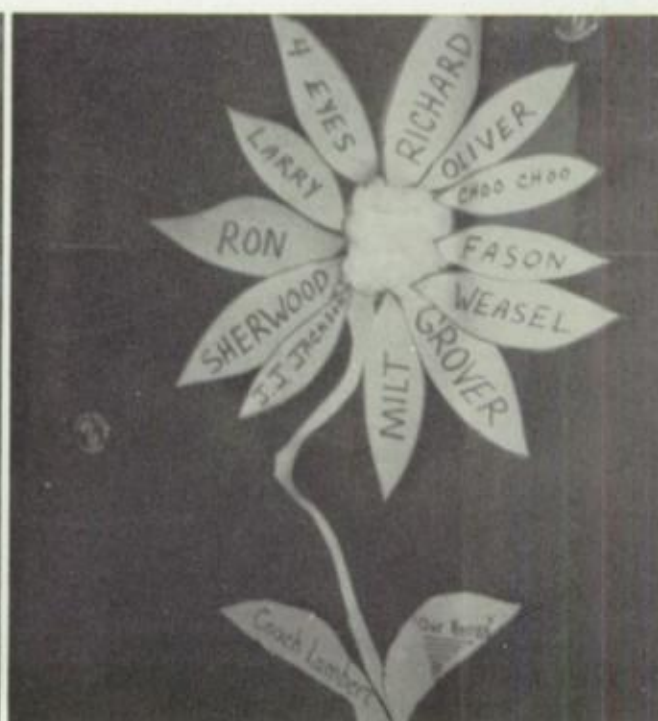

A tribute to Bismarck, sculptured by the Advanced Social Studies class

Mrs. Jester frequently substituted at SDHS.

As Christmas once again came to Stephen Decatur, everyone was busy decorating the halls to make the Yuletide even more joyous. The front window was gaily painted by talented art students, and the National Honor Society put up a tree in the hall. The dance sponsored by the Senior Class proved to be a real "Winter Wonderland" with a snowman and snowflakes as decorations for a park scene.

The Christmas Dance snowman and a showcase for the Seahawks, who by Christmas were well into an undefeated season

SPIRIT WEEK

During the Spirit Assembly members of the Drama Club proclaimed "We're number one."

Winners on Color Day

Mr. Oscar Littleton of the American Legion makes a presentation on Arbor Day.

ASSEMBLIES

In 1968-69, every student has been able to find an assembly program that interested him, ranging from the introduction of new teachers at the beginning of the year to the presentation of awards. Other assemblies included Christmas plays, Spirit Week awards, the School Bowl contest, instruction in yoga exercises, and an Arbor Day service.

ALL STEPHEN DECATUR NIGHT

"Three Mice Blind"

The annual All Stephen Decatur Night was held March 21. This year the theme was "Three Mice Blind"; amid jungle greenery the pink panthers, alley cats, and dogs danced and sang, and the king and queen were crowned.

After the main program, club booths offered entertainment and food in the cafeteria. Later, eighth grade basketball intermurals were played in the gymnasium.

SCIENCE TRIP

Eighty-six Stephen Decatur eighth and ninth graders visited Wallops Island to view aircraft, models of launch vehicles, tracking devices, and a color film on the practical use of land resources.

NATIONAL HONOR SOCIETY INDUCTION

On March 6, 1969 the Senior Honor Society held its annual induction ceremony. Amidst a courtroom scene, the Society President acted as judge and the new inductees were found guilty of possessing all of the qualities necessary for becoming members of the society.

The first and second period Senior English classes, under the direction of Miss Kelly, studied in depth the political, social, and cultural characteristics of the eighteenth century. The study culminated in a program representing an eighteenth century coffee house, complete with costumes and a skit.

NATIONAL JUNIOR HONOR SOCIETY INDUCTION

The National Junior Honor Society held their induction on March 25 when twenty-seven new members were tapped. After the induction a reception was held in the cafeteria for the new members, their parents, and faculty.

EIGHTH GRADE TRIP

In March one hundred forty eighth grade students traveled to Annapolis to prominent historical sites. These included John Paul Jones' crypt, the Naval Museum, the Naval Academy, the State House, and governor's mansion.

AN ARABIAN NIGHT

The theme chosen by the Juniors for the Junior-Senior Prom was *An Arabian Night*. On April 19, 1969, scenes of a market place, an oasis, and a distant desert city covered the walls of the gym. A large red and white striped tent was erected at one end of the room for the queen, and a genie on a magic carpet was suspended from the ceiling. The highlight of the evening was the coronation of Miss Enath Everett as 1969 Prom Queen.

ACTIVITIES

LIBRARY ASSISTANT

Mrs. Benton was a helpful addition to the 1969 library staff.

A demonstration of a NASA spacesuit.

ELECTIONS

In May Stephen Decatur students were transported by bus to voting booths in Berlin in order to cast their votes for student council and class officers.

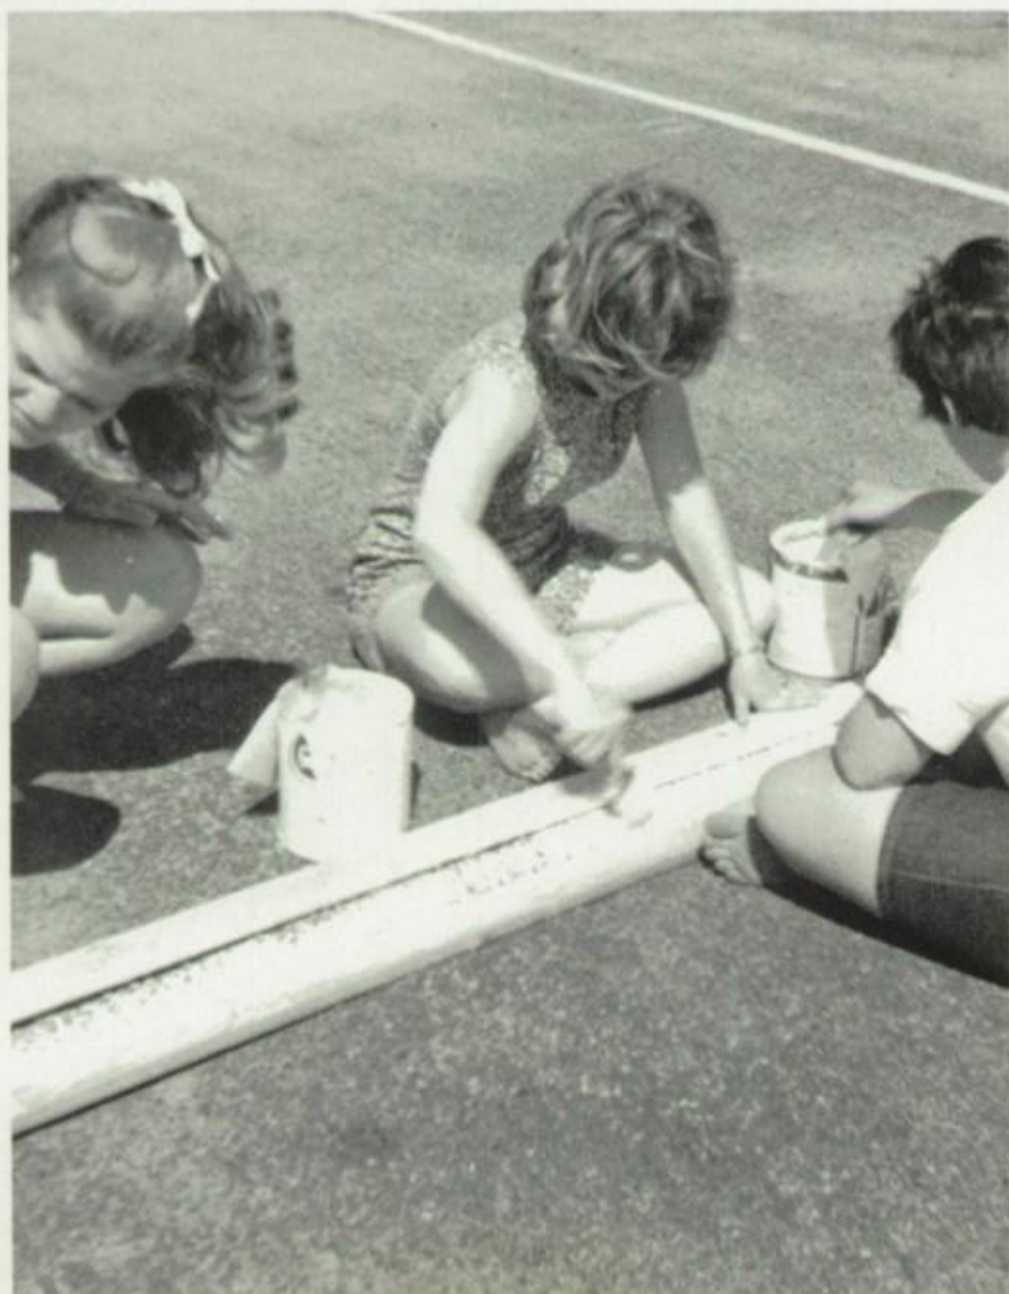

SENIOR DAYS

Senior Days have become a tradition at Stephen Decatur. This year the Seniors filled two days in May with teach activities and school improvement projects. On one day, dress formally, many students took over the classrooms and taught for the regular teachers. The next day, in shorts and T-shirts, Seniors spent the morning painting lines on the teachers parking lot, pulling weeds, and washing teachers cars. In the afternoon, the various Senior homerooms challenged one another in softball games, coming up eventually with a champion homeroom, and bringing the day to an exhausting but satisfactory close.

The 1968-1969 school year is now a memory. This SEAHAWK endeavored to recall for you some of the facts and faces of this year so the memories will be vivid and alive in the years that follow.

This book would not have been possible without the interest and financial assistance of the "Stephen Decatur" community. We thank those who so generously helped in the creation and production of this yearbook.

for the entire staff,
MARY SHULTZ,
Editor

To a real
sweet girl.
Good luck
in the future.
Rember me
and all they
rode the bus
together.
Annette

Hiwen,
I'll never know
what you see in
my dumb sister
but. Lots of luck
in the future.

Love,
Lynn "74"

Hiwen,
To a real sweet
kid. Good luck with
all your many
secret loves. Karen

To one of the greatest Buntings
that ever lived. You'll always
be my friend. Stay as sweet
as you are

who always seems
to be in my Science
class.

Cindy S. "71"

To a red
headed hunting
who won't be forgotten.
Best of luck always.
Doreen, '71

You're freckles and
my freckles are practical
alike so that means we
must be great friends.
Don't forget last year
Biology and those ugly
worms! Be good and don't
raise too much hell.

To nut
You are one of
the most ugliest
girls in S.D. But
that in the way
it goes.
D.J.

To a really
great french pal
and a really nice
friend that I've heard
a lot about from Karen
Tingle and now I know
for myself.
Jerry

To Gwen,

To a sister that is really a red head.
Hope you get a lot of boys and try
to keep Ralph.

Gwen,

Love
Dicky

Good luck in the future
with Ralph but maybe I'm
not the one who should
be telling ya because I
couldn't have any luck ~~forward~~
with him.

To a sweet
girl remember
our summer
at the beach!
Stay good and I hope
you get what
you want!
Love Ya
Karen
